A message from the Executive Director

Dear IHSS providers,

On behalf of the Public Authority staff, I'd like to thank all IHSS providers for their hard work.

The past 18 months have been challenging due to the COVID-19 pandemic. Despite various obstacles, providers have continued to deliver in-home care to San Diego's most vulnerable population with compassion, professionalism, and a high level of service.

We value and honor the many providers that help keep IHSS consumers safe in their home year-round. As a sign of our appreciation and thanks, we are celebrating IHSS providers in November for National Caregivers' Month by hosting a virtual Provider Appreciation Event. Once again, thank you IHSS providers, and I look forward to seeing you online at our event!

Sincerely,

Thomas H. Johnson, Executive Director

Un mensaje del Director Ejecutivo

Estimados proveedores individuales de IHSS:

De parte del personal de Public Authority, me gustaría agradecer a todos los proveedores de IHSS por todo su arduo trabajo.

Los últimos 18 meses han sido desafiantes debido a la pandemia de COVID-19. A pesar de varios obstáculos, los proveedores han continuado brindando atención domiciliaria a la población más vulnerable de San Diego con compasión, profesionalismo y un alto nivel de servicio.

Valoramos y honramos a los muchos proveedores que ayudan a mantener seguros a los consumidores de IHSS en sus hogares durante todo el año. Como muestra de nuestro aprecio y agradecimiento, estamos celebrando a los proveedores de IHSS en noviembre por el Mes Nacional de los Cuidadores organizando un evento virtual de agradecimiento al proveedor. ¡Una vez más, gracias a los proveedores de IHSS y espero verlos en nuestro evento virtual!

Sinceramente,

Thomas H Johnson, Director Ejecutivo
